

# Conecta Fiction & Entertainment reveals the 31 finalist projects from its pitch sessions

The TV adaptation of the podcast 'Bad Decisions' competes in the Pitch High-End Series

Conecta Fiction & Entertainment announced this Tuesday the 31 finalist projects for its 2024 pitch sessions.

Those responsible for the selected projects will present them in person before an editorial committee during the event, which this year will return to the El Greco Conference Center in Toledo (Spain) from June 18 to 21.

Spain repeats this year as the country with the most finalist projects, with 14. From Latin America, only one from Chile and one from Brazil compete in this edition, in which Portugal contributes four projects; Italy, France and the United Kingdom two each; and Bulgaria, Ireland, Israel, Lithuania and Macedonia one each.

The projects will be eligible for different prizes, including one of €50,000 awarded by Eurimages and another in alliance with Content Americas .
